Near De Pijp

The fellas and I stopped here for good beers and vibes after shopping and wandering.

CANNABIS COFFEESHOP

Coffeeshop Roxy

Gerard Doustraat 188

Netherlands

Just up the street from Cafe De Baron. I stopped here after beers :). Bring cash.

Coffee

COFFEE / SKINCARE EXPERIENCE

House of Rituals

Spui 10
1012 PR Amsterdam

The guys and I got amazing coffee here. It's a coffee shop mixed into a skincare/wellness store - all one company, and the whole place is built to create an experience around their products.

Rituals seems to be pretty big in Amsterdam; I even noticed another expensive-looking property of theirs from the canal tour that was separate from this coffee/skincare location.

Things to Do

PARK / WALK

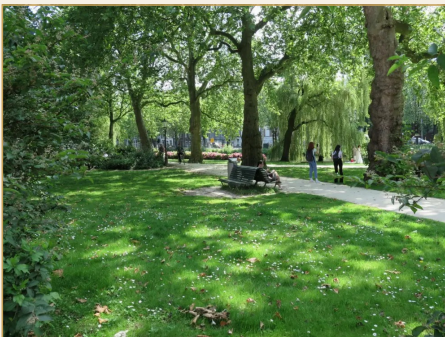

Weteringsplantsoen

Weteringsplantsoen

An incredible park that you have to see. It's an easy walk and close by.
I recommend walking through here on your way to the Bloemenmarkt.

FLOWER MARKET

Bloemenmarkt

Singel 630 to 600

DE WALLEN

Red Light District

De Wallen

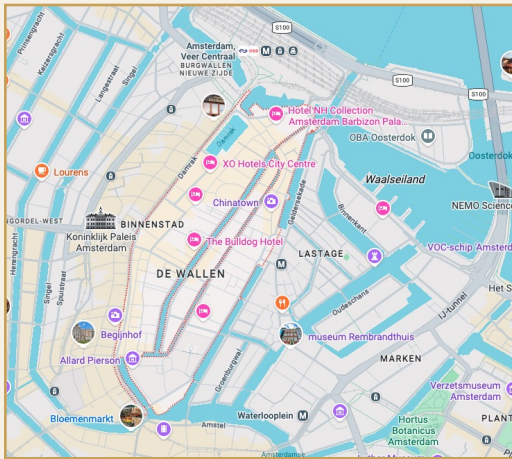

Amsterdam, Netherlands

De Wallen is the name of Amsterdam's Red Light District.

It's hard to see on Google Maps and difficult to catch the vibe during the day - you could walk through and not notice a thing.

BOAT TOUR

Flagship Amsterdam

Departure point: check booking confirmation

The Boat tour company, Flagship Amsterdam, was incredible - the tour is a must. It was a great way to explore the city, Drinks were included and I recommend doing this early on in the trip.

Totally worth it. I recommend doing this as early as possible in your trip.

A must-see, with good food and sweet treats.

Treats & Gifts

TREATS & GIFTS

Hans Egstorf

Spuistraat 274

Freshly made stroopwafels - a great place for gifts. This is where I bought the stroop waffle gift bags, and they make the stroop waffles right in front of you.

A fun place to shop and people-watch.
